National Intelligence Council

MEMORANDUM FOR: Senior Review Panel

FROM: Herbert E. Meyer
Vice Chairman, National Intelligence Council

SUBJECT: Draft SNIE 29.1-85: Greece: Implications of the
Elections for US-Greek Relations

1. We have had to do some readjustments on this estimate because of Papandreou's surprise move regarding Karamanlis, but we are endeavoring to get it out about a month ahead of the Greek election. Although we realize this draft can use some polishing, we are sending it to you now so that we may start what will probably be a contentious interagency coordination process as soon as possible.

2. We would appreciate receiving your comments by COB Tuesday, 16 April 1985.

Herbert E. Meyer
